Specific Functions

Title	Description	Length	Schedule
COD	<p>Online computer-based training that includes six lessons with text to guide users through each area of the COD system. It simulates the COD web screens and functionality available to a School Administrator. Explores the basic navigation and functions of the COD website and provides practice locating and creating information with feedback to help the users. The program uses fictitious data with over 350 "students" and 20 "schools" that offer a wide range of scenarios.</p> <p>Recommended for business officers and those who work with the Pell or Direct Loan Programs.</p>	Self-Paced	<p>Online 24 hours</p> <p>click here to access</p>
EDEXpress Basics	<p>Available to all schools through the Internet. Focuses on teaching users basic skills required to access and navigate the EDEXpress and Edconnect software. A beginning user learns the software functionality and practices using the software in a simulated environment. There are three different methods of instruction-please check the registration page (URL) for dates, times and locations for the classroom and virtual classroom training.</p> <p>Recommended for financial aid office personnel who have day-to-day responsibilities for using</p>	varies for self-paced and classroom	<p>Ongoing</p> <p>Click here to access the registration page</p>
